Description

Located on arguably one of Cayman Bracs best beaches, Tropical Runway is a 2 cottage 4 bed and 1 bed collection designed and built by the current owners as their winter oasis but also as a resort rental property. Despite the current owner's passion to be in Cayman Brac as often as possible, this property is a good performer on Air B n B and VRBO, and the homes continue to attract repeat guests and multi-generational families who value privacy and tranquility with oceanfront activities at their fingertips. The main house has 2 bedrooms on the main living floor along with the kitchen and lounge which is 20+ feet about sea level, supported by 2 ground floor bedrooms down on the sand, a tip toe away from the property's pool and beach. The main house has a wrap-around porch with a sun deck and BBQ area and a very large screened-in lounge which provides all-day shade. The main dining room is also in this relaxed space. The current owners are avid fishermen and experienced Scuba Divers, so the garage is set up to support that passion.

A short distance away but separate is a 1 bedroom 800 sq ft cottage with its own lounge, kitchen, full bathroom, and screened porch. Typically, the property rents as one, but on occasion, the cottages have been rented separately, giving the property diversity in what type of vacationer it attracts. Tropical Runway is a runaway leader in the private vacation rental category in Cayman Brac and is incredibly positioned to take advantage of Cayman Brac's bright future.
