Block: **24D**

Parcel: **13REM1**

Acres: **48**

Area: **40**

Real Estates Main Features

Soil: **Black**

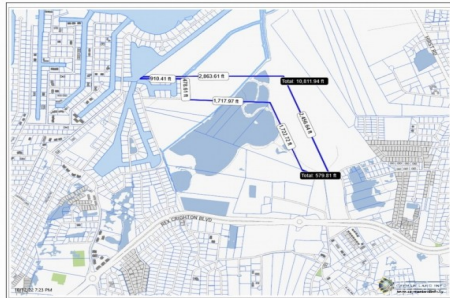

Zoning: **Low Density residential**

Views: **Garden View**

Description

This property has significant development possibilities. There is a lake/pond on site that can be dug to provide fill for the entire property. There is an un-improved easement off the east/west bypass for direct road access. One could get approximately 120 house lots that would have significant retail value, or even better, as a middle income housing development. Property is zoned Low Density Residential.
