The open-concept ground floor features a bright, spacious living area flowing seamlessly into a chef's kitchen with custom cabinetry and premium Kitchen Aid appliances, including dual wine coolers, ice maker, dishwasher, 5 burner propane cooktop and double wall ovens with warming drawer. There is a walk-in pantry with custom shelving and a dedicated laundry room with LG washer/dryer, sink, folding area and custom cabinets adding both functionality and convenience.

On the second floor the primary suite offers a spa-inspired bathroom with freestanding soaking tub and a glass enclosed shower with 3 shower heads. The property also includes a private garage and two additional parking spaces for convenience.
