Description

Ocean Walk – Lot 15, Spotts Newlands, Grand Cayman

Welcome to Ocean Walk, a thoughtfully planned mixed-use community located in the heart of Spotts Newlands, one of Grand Cayman’s most desirable and fast-growing residential areas. Lot 15 offers 10,390 square feet of prime residential land, ideally suited for building a private home or investment property within a secure, master-planned setting.

This gated community features landscaped roadways, sidewalks, and walking trails designed for leisure and fitness. Ocean Walk combines the tranquility of a residential neighborhood with close proximity to schools, shopping, and the beach.

The overall development blends residential living with future mixed-use amenities, including multi-unit residences, an on-site daycare, seasonal retail spaces, and a rotating food truck court. With low-density residential zoning, a natural pond on-site that can serve as a fill source, and convenient access via the East/West Bypass, Lot 15 presents exceptional value for both homeowners and developers.

Ocean Walk offers a rare opportunity to invest in a growing area where modern convenience meets Caribbean charm.
