## Description

Discover the freedom of space with this rare 7-acre inland parcel in Little Cayman. Surrounded by natural island beauty, this expansive tract offers unmatched privacy and a blank canvas for a visionary buyer. With no current road access, the property offers exceptional seclusion, ideal for land banking, future development planning, or an off-grid concept subject to planning approval. Large acreage parcels of this scale are increasingly difficult to secure on the island.

A unique opportunity to acquire a substantial footprint in one of the Cayman Islands' most serene destinations.
