## Description

## Elevated Island Living with Expanded Outdoor Space

Positioned on the fourth floor of One GT Residences, this 2-bedroom, 2-bathroom condo offers 1,772 sq ft of modern living, enhanced by a spacious wraparound balcony that captures sweeping ocean views and natural light from multiple angles. This extended outdoor living area is a rare feature within the development, ideal for entertaining, relaxing, or maximizing the indoor-outdoor lifestyle that defines Grand Cayman. Inside, the open-concept layout is designed for both comfort and efficiency. Floor-to-ceiling glass doors create a seamless transition between interior spaces and the balcony, amplifying light and airflow throughout the home.

## Contemporary Design with Investment Appeal

The kitchen anchors the main living space with a large island, integrated appliances, and clean, modern finishes that appeal to today's buyers and renters. Neutral tones and quality finishes provide a timeless backdrop, ensuring long-term marketability.

The primary suite offers a well-appointed ensuite featuring dual vanities and a glass-enclosed shower. The second bedroom is equally versatile - ideal for guests, a home office, or increasing rental yield.

## Lifestyle Amenities That Drive Demand

One GT Residences is designed to deliver a complete lifestyle experience. Residents enjoy access to a rooftop infinity pool with panoramic Caribbean views, a fully equipped fitness center, and a thoughtfully curated resident's lounge - perfect for remote work, informal meetings, or social gatherings.

Adding to the convenience and appeal, the development also includes an on-site coffee shop, creating a walkable, community-oriented environment that improves both daily life and tenant appeal.

## Turnkey Advantage + Added Value

This residence includes a \$20,000 credit toward a furniture package with Home & Outdoor, helping buyers easily establish a turnkey rental or move-in-ready home. For investors, this lowers initial setup costs and speeds up the time to generate rental income.
