Description

Excellent opportunity for residential or agricultural development, with the added benefit of a fully operational, income-generating egg farm already in place.

Zoned Agriculture/Residential, the property offers flexibility for a buyer looking to subdivide, build out, or hold for future development. The land is partially treed and includes registered road access. Well-positioned to benefit from the planned East-West Arterial expansion (Phases 2 & 3), which will significantly improve connectivity to George Town and the wider island.

A rare opportunity to secure a significant parcel in a rapidly evolving corridor with a fully operational farm as an added advantage.
